**Welcome to Fr. Ken Geraci!** Fr. Ken comes to us from the Fathers of Mercy to lead us in our Parish Mission. His topic will be, “Why Be Catholic?” Each night begins at 6:30 p.m. and lasts about one hour. Each night confessions will be offered one hour before the Mission as well as after the Mission. Each night a light reception will be available in the narthex. Wednesday night will include a healing service after the mission talk and Thursday night will include the celebration of the Mass.

Having been raised a Catholic and then left the Church for quite some time, Fr. Ken knows firsthand those factors involved in the decision to depart from one’s spiritual roots. He threw himself into business and sports, became something of an agnostic and then a non-denominational Christian. Over time he came back to the Church and then discovered something rather odd...a call to be a priest!
